Sir:

I, Diane K. Wong, represent that I am an attorney of record for the above-identified application. Vicuron Pharmaceuticals Inc. Moreover, Vicuron hereby agrees that any patent so granted on the above-identified application shall be enforceable only for and during such period that the legal title to said patent shall be the same as the legal title to any patent granted on pending reference Application

Serial No. 10/777,455, this agreement to run with any patent granted on the above-identified application and to be binding upon Vicuron, its successor, or assigns.

Vicuron does not disclaim any terminal part of any patent granted on the above-identified application prior to the expiration date of the full statutory term of any patent granted on pending reference Application Serial No. 10/777,455 in the event that it later expires for failure to pay a maintenance fee, is held unenforceable, is found invalid, is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. §1.312(a), has all claims canceled by a reexamination certificate, or is otherwise terminated prior to expiration of its statutory term as presently shortened by any terminal disclaimer, except for the separation of legal title stated above.

In the event that a patent granted on U.S. Application Serial No. 10/777,455 issues after any patent granted on the above-identified application, then this Terminal Disclaimer is null and void and has absolutely no legal effect.

The Commissioner is hereby authorized to charge \$ 65.00 to Deposit Account No. 50-2862 for the above fee(s). If any additional fees are necessitated by the filing of this document, please charge Deposit Account No. 50-2862.
